Senior Designer – Graphic Communication Design & Information Design

VersionAbsolute is one of India's leading wayfinding & sign design firm with over 23 years of experience in consulting for projects in India and overseas. Our work is grounded in the belief that design strategy optimizes the efficiency of spaces and creates memorable experiences. We consult from our studio in New Delhi.

This position is an on-site, full time position

Studio Profile
VersionAbsolute Design Studio is a collaborative team of architects, designers, strategists, and design engineers who are engaged with a wide variety of clients on projects of all sizes—from large townships to campus signage systems and product design. As wayfinding consultants, we help our clients make their environments, user friendly. Our approach combines design and architectural expertise backed by a strong strategic understanding of the context within which the solution is to exist. We believe that this approach results in that builds trust, inspire confidence, and forge lasting relationships.

Job Description:
This is a leadership role and the candidate's core responsibilities are as follows:

1. Deliver and/or lead multiple, often complex, design projects from concept through to site whilst adhering to design briefs, timelines, and budgets.
2. Work with teams internally and externally to develop design briefs & strategies.
3. Produce, supervise, and deliver designs, design documentations such as drawings, schedules, guidelines and specifications a strategy, design concept, design development, tender and construction stages. This will involve the following activities:
   a. Information and wayfinding strategies.
   b. Graphic communication strategies.
   c. Wayfinding layouts coordinated with the design team for required services.
   d. Sign prototyping drawings & templates.
   e. Detailed Bill of Quantities (BOQ) along with estimates.
   f. Vendor selection, shop drawing & sample approvals.
   g. Production ready artworks.
   h. Site visits.
   i. Quality & design review.
4. Prepare and deliver design presentations, pitches & company profile.
5. Project manage multiple projects including budgets, programming, risks and resources both internal & external.
6. Manage & motivate team, help create an environment of design experimentation and discussions.
7. Keep up-to-date with applicable laws that effect/influence our work.
8. Be responsible for the status and realization of your design projects including organizing and managing your colleagues and undertaking regular design/project reviews, to meet budget and programme requirements, as well as ensure full compliance with the project requirements and office standards.
9. Comply with all relevant office standards and industry professional development attributes, as available, and propose improvements as appropriate.

10. Regularly report to the senior management and Directors on the status of your projects to assess their impact upon the overall company resourcing and finances.
11. Work on creating a graphic design language for the firm.

Skill(s) required: Adobe Photoshop, Adobe Illustrator, Adobe in-Design, User Interface (UI) Development and Wireframing, Adobe Premiere, Figma etc. Additional software knowledge such in CAD, Sketchup, Rhino, etc is a plus.

For consideration, please submit, along with online application, a personal portfolio that contains examples of fully realized and produced graphic project work. Process sketch books are appreciated.

Who can apply:
Only those candidates can apply who:

1. Bachelor's or Master's Degree holder of Graphic Design/Communication Design, Architecture at Bachelors or at the Master's level.
2. **6+ years** professional experience in environmental graphic design, wayfinding design, print/digital design, or similar studio experience.
3. Experience in large scale projects such as townships, **airports**, healthcare, mixed use & commercial developments.
4. Excellent design portfolio.
5. Are available immediately.
6. Are available for full time (in-office).
7. Good communication and presentation skills; Able to collaborate, work under pressure.
8. Have relevant skills and interests.
9. Fluent in spoken and written English.

Perks:
Certificate, Letter of recommendation, Job offer, Flexible work hours, Informal dress code.

Life at VersionAbsolute
At VersionAbsolute, we are as committed to enjoying life as we are to delivering best-in-class design. From curated art exhibits to internal design competitions and hackathons, to "Jammy Evenings," our offices reflect our teams' diverse interests. At any pointy in time, we have multiple office collaborative experiments, many of them being design tech projects. We will draw upon your enthusiasm and skill collaborate and develop ongoing and future experiments.

We are looking for team members with a diversity of interests, who can value add to the quality of the shared experience within the office. We have team members who are musicians, some of us are avid adventure motorbicyclists, skilled illustrators and what we all share is a common appreciation for keeping things light & breezy.
