

Graphic Communication Designer

VersionAbsolute is one of India's leading wayfinding & sign design firm consulting for projects in India and overseas since 2002. Our work is grounded in the belief that design strategy optimizes the efficiency of spaces and creates memorable experiences. We consult from our studios in New Delhi, Bangalore & Hong Kong with the core team of designers working out of our New Delhi office.

This full time position is available at our New Delhi office.

Studio Profile

VersionAbsolute Design Studio is a collaborative team of architects, designers, strategists, and design engineers who are engaged with a wide variety of clients on projects of all sizes—from large townships to campus signage systems and product design. As wayfinding consultants, we help our clients make their environments, user friendly. Our approach combines design and architectural expertise backed by a strong strategic understanding of the context within which the solution is to exist. We believe that this approach results in that builds trust, inspire confidence, and forge lasting relationships.

Job Description:

Selected candidate's day-to-day responsibilities include:

1. Working with the team to develop graphic communication strategies for:
 - a. Brand Identity & Extension
 - b. Information Design
 - c. Typography
2. Ongoing and upcoming User Experience and User Interface (UI/UX) Projects
3. Provide design observations and solutions for the above mentioned.
4. Work with the graphic design team to produce artworks such as:
 - a. Infographics

3. Are available immediately.
4. Are available for full time (in-office).
5. Good communication and presentation skills; Able to work under pressure.
6. Have relevant skills and interests
7. Fluent in spoken and written English.

Perks:

Certificate, Letter of recommendation, Job offer, Flexible work hours, Informal dress code.

Life at VersionAbsolute

At VersionAbsolute, we are as committed to enjoying life as we are to delivering best-in-class design. From curated art exhibits to internal design competitions and hackathons, to "GOT-Nights," our offices reflect our teams' diverse interests. At any point in time, we have multiple office collaborative experiments, many of them being design tech projects. We will draw upon your enthusiasm and skill collaborate and develop ongoing and future experiments.

We are looking for team members with a diversity of interests, who can value add to the quality of the shared experience within the office. We have team members who are musicians, some of us are avid adventure motorbicyclists, skilled illustrators and what we all share is a common appreciation for keeping things light & breezy.
