

AlphaOne

amritsar

AlphaOne Amritsar is "the biggest shopping and lifestyle destination in Punjab", spread over an area of 2 million sq. ft., strategically located adjacent to the emerging New Amritsar economic zone. It is the single largest mixed use development in the region, positioned as a one point destination comprising Hypermarket, Retail, 5 Screen Multiplex and Family Entertainment Centre. The design for AlphaOne, Amritsar has been conceived by leading international architects, ARCOP and is in conformity with global standards. The concept backed by architectural excellence, state of the art infrastructure, customer friendly zoning and the adherence to international standards has made this the most popular destination in Amritsar.
